From the desk of CMD

Dear Stakeholders,

Whole world facing the problems of COVID 19 disease. The people of India and many other part of the world facing second or even third way while I write this letter.

I'd like to take this opportunity to convey our deepest condolences to those who have lost loved ones. I am confident that we will eventually get it under control but till then I request all to stay safe, get vaccinated and follow protocols decided by the government.

To inspire people and to provide job opportunities and other benefits to small businesses the government of India launched concept of "*Atmanirbhar*". It is transformational and correct steps in our nation's journey.

The COVID-19 pandemic has demonstrated, to most nations across the world, that free market economies cannot be at the cost of self-reliance. We must believe in our own capabilities and must be able to depend on it for economic construction, especially in times of crisis. Therefore, the five pillars of Atmanirbhar Bharat- Economy, Infrastructure, system, Vibrant Demography, and Demand - are a necessity to ensure our economy builds the intrinsic robustness to manage disruptive black swan events like COVID-19. The definition of a free-market economy will undergo a change in a post- COVID-19 world and we must unhesitatingly write our own definition. After all, not only is India the world's largest democracy but it is also the world's most unique and boldest experiment with democracy. There cannot be a better time for us to commence the journey towards true self-market reliance (Atmanirbhar) for accelerating the building of our nation in the post-19 world.

Organization Performance:

Company's first priority has been to ensure the complete safety of our employees and construction workers at our sites. Many labourers continued to stay at our construction sites during the renewed restrictions and we provided them assurance, and sanitised living conditions. Currently company follow all the precautions which is mandatory to safeguard against the COVID19.

In 2020-21 will also difficult for company as COVID19 impact is everywhere in India. Still company has completed its "Vshnudhara Garden project". And till the date almost 85% units are sold by the company out of the total Residentials and Commercial units. The total revenue of the company has also increased by 36.91% compare to last year. construction work of the club is also running very good. So as compare to last year performance of the company is increased. Also the company is planning to come up with new residential and/or commercial project in the current fiscal which will help the company in continuing the momentum.

Lastly, I extend my sincere thanks on behalf of the board of directors to all the stakeholders of the company for their continued trust reposed in the management of the company and thereby being a part of the growth path of the company.

Sincerely yours,

Sd/-

Management Discussion And Analysis

ECONOMY OVERVIEW:

In terms of GDP, Indian economy is the 5th largest economy in the world. The economy faced multiple headwinds and grew by 7.3% in Financial Year 2020-21, It is higher compare to last year but still lower as per the projection. The country's fiscal deficit for FY 2020-21 has been pegged at 9.5% of GDP, much beyond the original targeted 3.5% of GDP, resulting from stressed tax and divestment revenues, increased expenditure commitments due to the COVID-19 pandemic and the resultant economic slowdown. The country's fiscal deficit for FY 2021-22 has been pegged at 6.8% of GDP and the FRBM act has been amended to target fiscal deficit below 4.5% of GDP by FY 2025-26. The core sector grew by 6.8% in March, 2021.

While the second wave of COVID-19 infections has created significant uncertainty over the economic trajectory in the short term, various initiatives by government will ensure a steady growth path in coming years. The government intends to spend more than H 2.0 Lakh Crore on various Production Linked Incentive (PLI) schemes over the next 5 years in several sectors. FY 2020-21 inflation stood at 6.2%, within the RBI's estimated range and is expected to be ~5.2% for the current year, according to the Asian Development Bank.

REAL ESTATE SECTOR

- The Indian real estate sector was expected to start recovering in 2020 after few lackluster years wherein the sector was impacted by multiple reforms and the changes brought about by Demonetisation, RERA, GST and the NBFC crisis. It has been a tough task for the sector to align itself with these externalities, but the measures have resulted in much needed transparency, accountability and fiscal discipline for the sector.
- The Government of India has been supportive towards the real estate sector. In August 2015, the Union Cabinet approved 100 Smart City Projects in India. The Government has also raised FDI (Foreign Direct Investment) limits for townships and settlements development projects to 100 per cent. Real estate projects within Special Economic Zones (SEZ) are also permitted for 100 per cent FDI.
- Government of India's Housing for All initiative is expected to bring US\$ 1.3 trillion investment in the housing sector by 2025. As of December 2019, under Pradhan Mantri Awas Yojana (Urban) [PMAY (U)], 1.12 crore houses were sanctioned in urban areas, with a potential to create 1.20 crore jobs. The scheme is expected to push affordable housing and construction in the country and give a boost to the real estate sector. The Government has also released draft guidelines for investment by Real Estate Investment Trusts (REITs) in non-residential segment.

- Prior to the pandemic, the real estate sector was expected to contribute around 13% of India's GDP by 2025 (from around 6-7% in 2017), according to ANAROCK Research.
- The pandemic nearly stalled the markets in H1 2020 and the sector was virtually written off at the early stages of the pandemic on the expectations of a subsequent economic fallout. After grappling with initial labor shortages and demand deferment, both the residential and office markets witnessed signs of revival from Q3 2020 onwards.
- While the pandemic outbreak temporarily disrupted the sector, it also led to emergence of certain trends such as preference for larger apartments, increasing inclination for home ownership as against rental housing, de-densification of office spaces and acceleration of the ongoing consolidation in the sector.
- In Residential Real Estate Market Ahmedabad continued to be the most affordable city with affordability ratio at 24%, while the affordability ratio for NCR and Bengaluru stood at 38% and 28%, respectively in CY2020.

The Company's Board of Directors is responsible for the matters in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

■ ■ ■ ■ ■ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is

higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

22222 Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

22222 Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

22222 Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

22222 Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **ART NIRMAN LIMITED** ("the Company") as of 31 March 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
